

Safety Committee Minutes
May 15th, 2024
Station 3

Meeting called to order at: 1800

Members Present: I. Peterson, R. Parvin, K. Smith, K. Veit.

Communications: None

Old Business:

Station 2 inspection findings updates:

*Weather stripping on entry door – Replaced.

*Dry erase board covering electrical outlet – board relocated. Thank you Ian!

New Business:

A report was given to the committee regarding the status of the OSHA consult recommendations. Most of the recommended tasks have been completed, all tasks should be completed or implemented by the date of the next Safety Committee meeting.

Upcoming hot weather; heat injury prevention: Heat injury prevention training has been assigned to all district members via Target Solutions as a component of our annual mandatory compliance training.

A building safety inspection was completed on Station 3 by the members of the Safety Committee.

Open Discussion:

K. Smith – Inquired if Safety Committee training has been assigned via Target Solutions, K. Veit replied that it has been assigned to the current members of the committee.

Injury Reports: None

Accident Reports: None

Exposure Reports: None

Meeting adjourned at: 1820

Respectfully submitted,

Keith Veit

Secretary / Chairman
